- Backpack and Lunch Bag
- 2 Boxes of Kleenex
- 1 Package of Wet Wipes
- Water Bottle
- Sound Reducing Headphones (if desired)
- Activity Book

A Note Regarding School Supplies for Grade 3

Important notes about the attached supply list:

- Please check that all duo-tangs have the brads for 3-holed paper **as well as** pockets in the front and back covers
- Please sharpen **ALL** pencils and pencil crayons **BEFORE** bringing them to school
- Please label **ALL** supplies (this includes EVERY pencil, crayon, marker, etc.)
- The activity book should be something your child will enjoy working on when seatwork is completed. (Please no sticker/colouring books or oversized books)
- The pair of sound-reducing headphones is strongly recommended. They are available at any Home Improvement/Hardware store or Walmart
- The white board should be able to fit inside your child's desk. Please ensure that they bring in **AT LEAST 2** white board markers.
- A deduction of \$4.90 will be taken from your child's Activity Fund to cover the cost of their Communication Book

Please keep the following in mind when organizing supplies for the fall:

- Dollar Store markers and pencils seem to dry out or break very quickly.
- During the early fall months, if your child wears sandals to school, please send a clean pair of socks on gym days to wear with the gym shoes.
- Gym shoes stay at school. They also double as indoor shoes in the winter.
- Small glue sticks only last for about 3-5 projects. Please look for the large-sized glue sticks as your child will get much more use out of these!
- **Please label all uniform items** before the first day of school. Many uniform sweaters get lost during the first few weeks of September.
