Please keep the following in mind when organizing supplies for the fall:

- Please sharpen pencil crayons before bringing them to school.
- Dollar store markers and pencils seem to dry out or break very quickly. Please consider purchasing quality.
- During the early fall and late spring months, if your child wears sandals to school, please send a clean pair of socks on gym days to wear with the gym shoes.
- Gym shoes stay at school. They also serve as indoor shoes in the winter.
- Please **label all uniform items** before the first day of school. Many uniform sweaters get lost throughout the year, so having a name on every item will help ensure it gets returned to you.
- A deduction will be taken from your child's Activity Fund to cover the cost of their Communication Book.
