Please keep the following in mind when organizing supplies for the fall:

- Please sharpen **all** pencils and pencil crayons before bringing them to school.
- Please label each item with your child's initials. This helps prevent lost items in our classroom! (except for tissues and wipes!)
- Dollar store markers and pencils seem to dry out or break very quickly.
- During the early fall and late spring months, if your child wears sandals to school, please send a clean pair of socks on gym days to wear with the gym shoes.
- Gym shoes stay at school in each student's cubby. They also double as indoor shoes in the winter.
- Small glue sticks only last for about 3-5 projects. Please look for the large sized glue sticks as your child will get much more use out of these!
- Please **label all uniform items** before the first day of school. Many uniform sweaters get lost during the first few weeks of September.
- A deduction of \$4.90 will be taken from your child's Activity Fund to cover the cost of their Communication Book.
